I understand and agree that, as part of the credentialing application process for participation and/or clinical privileges (hereinafter, referred to as "Participation") at or with

(PLEASE INDICATE MANAGED CARE COMPANY(S) OR HOSPITAL(S) TO WHICH YOU ARE APPLYING) (HEREINAFTER, INDIVIDUALLY REFERRED TO AS THE "ENTITY")

and any of the Entity's affiliated entities, I am required to provide sufficient and accurate information for a proper evaluation of my current licensure, relevant training and/or experience, clinical competence, health status, character, ethics, and any other criteria used by the Entity for determining initial and ongoing eligibility for Participation. Each Entity and its representatives, employees, and agent(s) acknowledge that the information obtained relating to the application process will be held confidential to the extent permitted by law.

I acknowledge that each Entity has its own criteria for acceptance, and I may be accepted or rejected by each independently. I further acknowledge and understand that my cooperation in obtaining information and my consent to the release of information do not guarantee that any Entity will grant me clinical privileges or contract with me as a provider of services. I understand that my application for Participation with the Entity is not an application for employment with the Entity and that acceptance of my application by the Entity will not result in my employment by the Entity.

For Hospital Credentialing. I consent to appear for an interview with the credentials committee, medical staff executive committee, or other representatives of the medical staff, hospital administration or the governing board, if required or requested. As a medical staff member, I pledge to provide continuous care for my patients. I have been informed of existing hospital bylaws, rules and regulations, and policies regarding the application process, and I agree that as a medical staff member, I will be bound by them.

Authorization of Investigation Concerning Application for Participation. I authorize the following individuals including, without limitation, the Entity, its representatives, employees, and/or designated agent(s); the Entity's affiliated entities and their representatives, employees, and/or designated agents; and the Entity's designated professional credentials verification organization (collectively referred to as "Agents"), to investigate information, which includes both oral and written statements, records, and documents, concerning my application for Participation. I agree to allow the Entity and/or its Agent(s) to inspect all records and documents relating to such an investigation.

Authorization of Third-Party Sources to Release Information Concerning Application for Participation. I authorize any third party, including, but not limited to, individuals, agencies, medical groups responsible for credentials verification, corporations, companies, employers, former employers, hospitals, health plans, health maintenance organizations, managed care organizations, law enforcement or licensing agencies, insurance companies, educational and other institutions, military services, medical credentialing and accreditation agencies, professional medical societies, the Federation of State Medical Boards, the National Practitioner Data Bank, and the Health Care Integrity and Protection Data Bank, to release to the Entity and/or its Agent(s), information, including otherwise privileged or confidential information, concerning my professional qualifications, credentials, clinical competence, quality assurance and utilization data, character, mental condition, physical condition, alcohol or chemical dependency diagnosis and treatment, ethics, behavior, or any other matter reasonably having a bearing on my qualifications for Participation in, or with, the Entity. I authorize my current and past professional liability carrier(s) to release my history of claims that have been made and/or are currently pending against me. I specifically waive written notice from any entities and individuals who provide information based upon this Authorization, Attestation and Release.

Authorization of Release and Exchange of Disciplinary Information. I hereby further authorize any third party at which I currently have Participation or had Participation and/or each third party's agents to release "Disciplinary Information," as defined below, to the Entity and/or its Agent(s). send to the IRS.**

Before you begin. For guidance related to the purpose of Form W-9, see *Purpose of Form*, below.

Print or type. See Specific Instructions on page 3.	1 Name of entity/individual. An entry is required. (For a sole proprietor or disregarded entity, enter the owner's name on line 1, and enter the business/disregarded entity's name on line 2.)

Check only one of the following seven boxes. ☐ Individual/sole proprietor ☐ C corporation ☐ S corporation ☐ Partnership ☐ Trust/estate ☐ LLC. Enter the tax classification (C = C corporation, S = S corporation, P = Partnership) Note: Check the "LLC" box above and, in the entry space, enter the appropriate code (C, S, or P) for the tax classification of the LLC, unless it is a disregarded entity. A disregarded entity should instead check the appropriate box for the tax classification of its owner. ☐ Other (see instructions) _____	4 Exemptions (codes apply only to certain entities, not individuals; see instructions on page 3): Exempt payee code (if any) _____ Exemption from Foreign Account Tax Compliance Act (FATCA) reporting code (if any) _____ (Applies to accounts maintained outside the United States.)
	3b If on line 3a you checked "Partnership" or "Trust/estate," or checked "LLC" and entered "P" as its tax classification, and you are providing this form to a partnership, trust, or estate in which you have an ownership interest, check this box if you have any foreign partners, owners, or beneficiaries. See instructions ☐

Part I Taxpayer Identification Number (TIN)

Enter your TIN in the appropriate box. The TIN provided must match the name given on line 1 to avoid backup withholding. For individuals, this is generally your social security number (SSN). However, for a resident alien, sole proprietor, or disregarded entity, see the instructions for Part I, later. For other entities, it is your employer identification number (EIN). If you do not have a number, see *How to get a TIN*, later.

Note: If the account is in more than one name, see the instructions for line 1. See also *What Name and Number To Give the Requester* for guidelines on whose number to enter.

Part II Certification

Under penalties of perjury, I certify that:

- The number shown on this form is my correct taxpayer identification number (or I am waiting for a number to be issued to me); and
- I am not subject to backup withholding because (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, or (c) the IRS has notified me that I am no longer subject to backup withholding; and
- I am a U.S. citizen or other U.S. person (defined below); and
- The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

Certification instructions. You must cross out item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. For real estate transactions, item 2 does not apply. For mortgage interest paid, acquisition or abandonment of secured property, cancellation of debt, contributions to an individual retirement arrangement (IRA), and, generally, payments other than interest and dividends, you are not required to sign the certification, but you must provide your correct TIN. What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Plan Participation Checklist Information

VERY IMPORTANT INFORMATION

Please review the following information for full understanding of the plan participation checklist (PPCL).

1. Submissions are submitted 10 days after board approval for initial and recredentialed providers.
2. The networks take generally 30-180 days to load the providers to the network and obtain effective dates.
3. We do not advise you see patients until you have received your effective date.
4. Use consistent and carefully reviewed checklists if you are participating in a group with multiple providers to ensure that all provider opt-ins/opt-outs match.
5. Every TIOPA member is required to have an individual PPCL per practicing tax id.
6. Providers are loaded to TIOPA contracts as an individual tied to the Tax ID (TIN). When verifying, please use provider's NPI and not the group. *You do not have a group contract.*
7. Please wait a minimum of 6 months before making any changes to your opt-in/out selections. Doing so earlier can cause loading or termination delays from the network.
8. BCBS PIDS, Medicare PTANs and Medicaid proof of enrollment are required before being submitted to those networks.
 - Obtaining these IDs is the responsibility of the provider/provider office.
 - However, please make the selection that you wish to participate in if enrollment is pending; these will be marked as PRV ACT RQD (provider action required) in your WebView portal.
9. Extra Services: [Extra services are available for an additional fee to obtain these IDs on behalf of the provider.](#)
 - Medicare Enrollment: PTAN enrollments/reassignments for new and existing practices.
 - BlueCross Blue Shield: Assistance with PIDs for one of Texas's largest carriers.
 - Medicaid Enrollment: Enrollment for TMHP Medicaid for new practices/providers.
 - CAQH Proview Management: Setup and management of CAQH Proview profiles..
10. You are allowed 2 revisions of the PPCL per fiscal year (Oct 1 – Sept 30), after the minimum waiting period of 6 months for initial providers. If more than 2 revisions are required, then a fee of \$350 will be required.
11. Changes to the PPCL should be completed on our website at tiopa.org/provider-resources (click Plan Checklist updates).
12. Networks require certain hospital privileges, call coverage at in-network hospitals, or referral requirements of in-network providers to be in network, along with separate letters that must be reviewed and signed.

I have read and understand the above information.

CLARIFICATION OF TIOPA'S ROLE REGARDING UHC CONTRACT & OPT IN FORM

TIOPA Does NOT Hold the Contract With UHC. United Healthcare contracts directly with providers and NOT TIOPA per UHC policies.

TIOPA's Relationship with UHC:

- TIOPA is delegated for credential verification and ongoing monitoring per regulatory guidelines.

• How TIOPA Members Can Contract with UHC (after Opt-In):

- [Joining UHC Network](#)
- Access UHC fee schedules.
- Reach out to UHC for network issues/effective dates.
- Check participation status.
- Enroll with [WellMed](#), Managed Medicare, Medicaid, etc ([Guide](#)).

Contracting with ANY and ALL United Healthcare Products

TIOPA does NOT hold the health plan agreement with UHC. They contract directly with you. They delegate credential verification/monitoring to TIOPA.

Guidelines for Transitioning IPA Affiliation

For providers moving from another IPA or Direct contract to TIOPA's delegated contract

TIOPA cannot submit your enrollment to networks until we receive:

From another IPA: (1) Your termination request sent to current IPA, and (2) Prior IPA's written confirmation showing the effective termination date(s). **From Direct contract:** Draft termination letter addressed to payor - send to TIOPA, not the payor.

Transitioning from Another IPA

- 1 Contact your current IPA immediately.** Send a termination request specifying which plans/networks you're leaving and your desired effective date. Set the date to allow 90 days from when TIOPA will submit enrollments.
- 2 Obtain confirmation from current IPA.** Get an email or letter from them confirming your termination request and stating the effective termination date(s).
- 3 Submit both documents to TIOPA.** Email your termination request and the IPA's written confirmation to provider.relations@tiopa.org. TIOPA needs both documents before Board presentation and before we can submit you to networks.

Without these documents, payers may report you're still active with another IPA and reject your enrollment under TIOPA.

Transitioning from Direct Contract

- 1 Draft a termination letter to the payor (do not send).** State your direct contract should be terminated as you're transitioning to TIOPA's delegated contract. Emphasize the transition must occur without any lapse in coverage to avoid issues for patients and their care.
- 2 Email the draft to TIOPA.** Send to provider.relations@tiopa.org. We'll submit it with your enrollment so termination and activation occur simultaneously.
