#### Section III – Standard Authorization, Attestation and Release (Not for Use for Employment Purposes)

I understand and agree that, as part of the credentialing application process for participation and/or clinical privileges (hereinafter, referred to as "Participation") at or with

(PLEASE INDICATE MANAGED CARE COMPANY(S) OR HOSPITAL(S) TO WHICH YOU ARE APPLYING) (HEREINAFTER, INDIVIDUALLY REFERRED TO AS THE "ENTITY")

and any of the Entity's affiliated entities, I am required to provide sufficient and accurate information for a proper evaluation of my current licensure, relevant training and/or experience, clinical competence, health status, character, ethics, and any other criteria used by the Entity for determining initial and ongoing eligibility for Participation. Each Entity and its representatives, employees, and agent(s) acknowledge that the information obtained relating to the application process will be held confidential to the extent permitted by law.

I acknowledge that each Entity has its own criteria for acceptance, and I may be accepted or rejected by each independently. I further acknowledge and understand that my cooperation in obtaining information and my consent to the release of information do not guarantee that any Entity will grant me clinical privileges or contract with me as a provider of services. I understand that my application for Participation with the Entity is not an application for employment with the Entity and that acceptance of my application by the Entity will not result in my employment by the Entity.

For Hospital Credentialing. I consent to appear for an interview with the credentials committee, medical staff executive committee, or other representatives of the medical staff, hospital administration or the governing board, if required or requested. As a medical staff member, I pledge to provide continuous care for my patients. I have been informed of existing hospital bylaws, rules and regulations, and policies regarding the application process, and I agree that as a medical staff member, I will be bound by them.

**Authorization of Investigation Concerning Application for Participation.** I authorize the following individuals including, without limitation, the Entity, its representatives, employees, and/or designated agent(s); the Entity's affiliated entities and their representatives, employees, and/or designated agents; and the Entity's designated professional credentials verification organization (collectively referred to as "Agents"), to investigate information, which includes both oral and written statements, records, and documents, concerning my application for Participation. I agree to allow the Entity and/or its Agent(s) to inspect all records and documents relating to such an investigation.

Authorization of Third-Party Sources to Release Information Concerning Application for Participation. I authorize my current and past professional liability carrier(s) to release my history of claims that have been made and/or are currently pending against me. I specifically waive written notice from any entities and individuals who provide information based upon this Authorization, Attestation and Release.

Authorization of Release and Exchange of Disciplinary Information. I hereby further authorize any third party at which I currently have Participation or had Participation and/or each third party's agents to release "Disciplinary Information," as defined below, to the Entity and/or its Agent(s). I hereby further authorize the Agent(s) to release Disciplinary Information about any disciplinary action taken against me to its participating Entities at which I have Participation, and as may be otherwise required by law. As used herein, "Disciplinary Information" means information concerning: (I) any action taken by such health care organizations, their administrators, or their medical or other committees to revoke, deny, suspend, restrict, or condition my Participation or impose a corrective action plan; (ii) any other disciplinary action involving me, including, but not limited to, discipline in the employment context; or (iii) my resignation prior to the conclusion of any disciplinary proceedings or prior to the commencement of formal charges, but after I have knowledge that such formal charges were being (or are being) contemplated and/or were (or are) in preparation.

Release from Liability. I release from all liability and hold harmless any Entity, its Agent(s), and any other third party for their acts performed in good faith and without malice unless such acts are due to the gross negligence or willful misconduct of the Entity, its Agent(s), or other third party in connection with the gathering, release and exchange of, and reliance upon, information used in accordance with this Authorization, Attestation and Release. I further agree not to sue any Entity, any Agent(s), or any other third

party for their acts, defamation or any other claims based on statements made in good faith and without malice or misconduct of such Entity, Agent(s) or third party in connection with the credentialing process. This release shall be in addition to, and in no way shall limit, any other applicable immunities provided by law for peer review and credentialing activities.

In this Authorization, Attestation and Release, all references to the Entity, its Agent(s), and/or other third party include their respective employees, directors, officers, advisors, counsel, and agents. The Entity or any of its affiliates or agents retains the right to allow access to the application information for purposes of a credentialing audit to customers and/or their auditors to the extent required in connection with an audit of the credentialing processes and provided that the customer and/or their auditor executes an appropriate confidentiality agreement. I understand and agree that this Authorization, Attestation and Release is irrevocable for any period during which I am an applicant for Participation at an Entity, a member of an Entity's medical or health care staff, or a participating provider of an Entity. I agree to execute another form of consent if law or regulation limits the application of this irrevocable authorization. I understand that my failure to promptly provide another consent may be grounds for termination or discipline by the Entity in accordance with the applicable bylaws, rules, and regulations, and requirements of the Entity, or grounds for my termination of Participation at or with the Entity. New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

#### **Purpose of Form**

### Plan Participation Checklist Information

### VERY IMPORTANT INFORMATION

Please review the following information for full understanding of the plan participation checklist (PPCL).

- 1. Submissions are submitted 10 days after board approval for initial and recredentialed providers.
- 2. The networks take generally 30-180 days to load the providers to the network and obtain effective dates.
- 3. We do not advise you see patients until you have received your effective date.
- 4. Use consistent and carefully reviewed checklists if you are participating in a group with multiple providers to ensure that all provider opt-ins/opt-outs match.
- 5. Every TIOPA member is required to have an individual PPCL per practicing tax id.
- 6. Providers are loaded to TIOPA contracts as an individual tied to the Tax ID (TIN). When verifying, please use provider's NPI and not the group. You do not have a group contract.
- 7. Please wait a minimum of 6 months before making any changes to your opt-in/out selections. Doing so earlier can cause loading or termination delays from the network.
- 8. BCBS PIDS, Medicare PTANs and Medicaid proof of enrollment are required before being submitted to those networks.
  - Obtaining these IDs is the responsibility of the provider/provider office.
  - However, please make the selection that you wish to participate in if enrollment is pending; these will be marked as PRV ACT RQD (provider action required) in your WebView portal.
- 9. Extra Services: Extra services are available for an additional fee to obtain these IDs on behalf of the provider.

Medicare Enrollment: PTAN enrollments/reassignments for new and existing practices.

BlueCross Blue Shield: Assistance with PIDs for one of Texas's largest carriers.

Medicaid Enrollment: Enrollment for TMHP Medicaid for new practices/providers.

CAQH Proview Management: Setup and management of CAQH Proview profiles...

- 10. You are allowed 2 revisions of the PPCL per fiscal year (Oct 1 Sept 30), after the minimum waiting period of 6 months for initial providers. If more than 2 revisions are required, then a fee of \$350 will be required.
- 11. Changes to the PPCL should be completed on our website at tiopa.org/provider-resources (click Plan Checklist updates).
- 12. Networks require certain hospital privileges, call coverage at in-network hospitals, or referral requirements of in-network providers to be in network, along with separate letters that must be reviewed and signed.

# **Guidelines for Transitioning IPA Affiliation**

For providers moving from another IPA or Direct contract to TIOPA's delegated contract

### TIOPA cannot submit your enrollment to networks until we receive:

**From another IPA:** (1) Your termination request sent to current IPA, and (2) Prior IPA's written confirmation showing the effective termination date(s). **From Direct contract:** Draft termination letter addressed to payor - send to TIOPA, not the payor.

# **Transitioning from Another IPA**

- 1 Contact your current IPA immediately. Send a termination request specifying which plans/networks you're leaving and your desired effective date. Set the date to allow 90 days from when TIOPA will submit enrollments.
- 2 **Obtain confirmation from current IPA.** Get an email or letter from them confirming your termination request and stating the effective termination date(s).
- 3 Submit both documents to TIOPA. Email your termination request and the IPA's written confirmation to <a href="mailto:provider.relations@tiopa.org">provider.relations@tiopa.org</a>. TIOPA needs both documents before Board presentation and before we can submit you to networks.

Without these documents, payers may report you're still active with another IPA and reject your enrollment under TIOPA.

### **Transitioning from Direct Contract**

- 1 Draft a termination letter to the payor (do not send). State your direct contract should be terminated as you're transitioning to TIOPA's delegated contract. Emphasize the transition must occur without any lapse in coverage to avoid issues for patients and their care.
- **Email the draft to TIOPA.** Send to <u>provider.relations@tiopa.org</u>. We'll submit it with your enrollment so termination and activation occur simultaneously.

Questions? Email provider.relations@tiopa.org
